DEATH'S DOING FOR A WEEK

ESTIMABLE CITIZEN OF GETTYSBURG JOINS THE MAJORITY

Took Poison by Mistake—Stricken While Chopping Wood—Aged and Young Called Away.

Peter Thorn, who spent more than fifty years of the eighty years of his life in this place passed away at his home on West Middle street on Tuesday evening Jan. 8th aged 80 years 5 months and 15 days. He had been ill for several weeks with asthma, though a sufferer from that disease for several years. Peter Thorn was known to everyone, young and old, and for every one he had a genial warm hearted greeting, which attracted and made it a pleasure always to meet and talk with him. He was ever held in high esteem. He was born on the banks of the Rhine and came to this country when a young man. In 1854 he located in Gettysburg and soon make himself known for his many good qualities. Sept. 1st 1855 was the date fixed for his marriage to Miss Elizabeth Masser and on that day all the church bells of the towns were rung and when the bride inquired of the groom the cause of the ringing, she was informed that the Evergreen Cemetery had been dedicated that day. Neither of the two dreamed that the coincidence of that day was to be marked by further association for more than 20 years. When a Superintendent was chosen for the new cemetery the choice fell upon Peter Thorn and he made a most efficient officer. He resigned in 1874. Peter Thorn was a veteran of the Civil War, enlisting in Co. B. 138th Regt. in 1862 for three years and was promoted to a corporal and served until honorably discharged in 1865. He participated in battles of Brandy Station, Locust Grove, Wilderness, Spottsylvania, Cold Harbor, Petersburg, Monocacy, Winchester, Fisher's Hill, Cedar Creek, Capture of Petersburg and Appomattox. His wife with her parents resided at the Cemetery gate house during the battle here. The funeral was held on Friday afternoon, Rev. Dr. J. A. Clutz conducting the services and a burial squad of the Sons of Veterans under Capt. Win. McG. Tawney doing the rites of a burial with honors of war. He leaves his wife, four sons and one daughter, George Thorn, Fred Thorn, and John Thorn of this place, Peter Thorn of Martinsburg, W. Va. and Mrs. Harry Young of Harrisburg.

Henry X. Noel, a well known farmer living near White Hall died on Monday of last week, Jan. 7th, as a result of drinking horse medicine in mistake for whiskey. Mr. Noel was tenant on Henry Stine farm near White Hall and on Monday morning feeling the need of a stimulant, though not one addicted to the habit, went to a sideboard, standing in a dark corner of the room. In the cupboard were two bottles of about the same size and both contained dark fluids, in one whiskey, in the other a concoction of belladonna and bux vomica. Mr. Noel picked up latter bottle in mistake and took swallow from the bottle. The effect of the poisons was immediate. His wife got some milk but it proved futile as an emetic. Dr. A. C. Rice of McSherrystown was summoned and when he reached farm about an hour later the man was beyond medical help, dying ten minutes after the doctor arrived. The deceased is a son of Mrs. Charlotte Noel of McSherrystown and was 51 years old. He has been farming for a number of years, moving last spring from the Fleshman farm near Brush Run this county to the Stine farm. Last October his shoulder blade was accidentally broken and he was only recovering from that injury when his death occurred. The funeral was held on last Thursday at Conowago Chapel, services by Rev. Eugene Haltemeyer, interment in the Chapel Cemetery. He leaves a wife, who was Miss Mary Gaul, two brothers and six sisters, Charles Noel of Harrisburg, David Noel of near Kohler's Mill, Mrs. Edw. Leonard of Hanover, Mrs. Joseph Smith of New Oxford, Mrs. Annie Smith of Mt. Rock, Mrs. Reuben Weaver of Square Corners, Mrs. John Hagerman and Miss Mary Noel of McSherrystown.

Henry Reiman, was found dead in the mountain near Pen-Mar on last Thursday evening. He left his home in the afternoon telling his wife he was going into the mountain to cut wood. When he did not return for supper Mrs. Reiman gave the alarm and a searching party soon found him. He was lying on his back cold in death. He had probably been dead for six hours, two pieces of wood he had cut were lying near. In a third was the axe, showing he had been stricken just as the axe fell into the wood. Mr. Reiman was born near Liberty Mills in Liberty township, this county and lived there the greater part of his life, removing about 14 years ago to near Pen-Mar where he was engaged as a huckman. At one time he was a Democratic candidate for the nomination for Sheriff of this county. The funeral was held last

Saturday. He leaves a wife, who was a Miss Buhrman.

Miss Mary V. Lilly, passed away at the home of her sister Mrs. Sarah L. Corrigan, McSherrystown on Monday, Jan. 7th from grippe and pleurisy aged almost four score years. Two days before her death she had made calls on friends and the end came suddenly and without suffering, as it were in sleep. She was a daughter of the late John and Hannah Lilly and was born at the well known Lilly homestead in Conowago township. For more than 30 years she had made her home with her sister Mrs. Corrigan. She was a woman of culture and refinement, an authority on persons and historical incidents of the Conowago Valley and greatly beloved by a wide circle of friends. The funeral was held on last Wednesday. A High Mass of Requiem was celebrated by Rev. Father Reuter in St. Mary's Church with interment in family lot in Conowago Chapel Cemetery. She is survived by three brothers and one sister, Dr. V. H. Lilly of McSherrystown and Samuel Lilly of Chicago who were at her bedside at the end, William H. S. Lilly of St. Aubert, Missouri and Mrs. Sarah L. Corrigan of McSherrystown.

John M. Kline, died at the home of his daughter Mrs. Leah Smith in Hampton on Jan. 4, aged 81 years, 3 months and 4 days. He had been a resident of Cumberland county for many years and about 23 years ago moved to Adams County, where he had since lived. His death was due to Bright's disease. He was a member of the German Baptist church. The funeral was held on Monday of last week, services by Revs. D. H. and C. L. Baker, interment in Union Cemetery, East Berlin. He is survived by an aged wife, two sons and three daughters, Jacob S. Kline of Pawnee Rock, Kansas, Rev. S. E. Kline of Mechanicsburg, Mrs. Elizabeth Condry of Ohio, Mrs. Sarah Myers and Mrs. Leah Smith of Hamp-ton.

Mrs. Lovina S. Diehl Hensel, wife of James Hensel died at her home near Panora, Iowa. She was a daughter of Daniel Diehl, who lived in Mt. Joy township for many years. Her husband came from Cashtown and she is well known to a number of our people. She was a cousin of Isaac Diehl of this place. The "Panora Patriot" in noticing her death says: "Lovina S. Diehl was born January 14, 1833, near Gettysburg, Pennsylvania. She was united in marriage to James Hensel, December 13, 1864. To this union were born seven children, four sons and three daughters, two daughters and one son dying some years ago. Deceased leaves a husband, three sons and one daughter to mourn her taking away. Her death occurred at her home northeast of this place Sun. Jan. 6, about midnight. She was in the 71st year of her life, which was a busy one in her own home and those of her neighbors in need of a kind assistance in time of sickness. Not family of her neighbors but who will attest to Mrs. Hensel as one who thought not of her own ill when her services were needed in a home within her reach. In early life she embraced the Christian religion, uniting with the United Brethren church, remaining steadfast to the tenets of that organization until the church disbanded in Panora. It was then she and her husband united with the Presbyterian church in which deceased retained her membership until the time of her death."

"She was a Christian mother, her influence always being exerted for the betterment of all with whom she had to do. A loving wife who knew naught but to make her home life pleasant to any and all who chanced to be guests at the Hensel home. Forty years ago she and her husband moved onto the farm where they have continuously lived until the time of her death. Funeral services were presided over by Revs. M. Deardorff and D. M. Haughtelin, burial in the Brethren cemetery north of Panora. The bereft family have the sympathy of the entire community."

William Henry Wilson, who had been a sheriff of Carroll County, Md., died on Jan. 10 at his home in Manchester, aged 52 years, from typhoid fever. He was born at Abbottstown this county, the son of Frank and Julia Wilson. In early life he went to Manchester. He was a mail clerk under President Cleveland's first administration. He was a deputy sheriff under four sheriffs of Carroll Co., and in 1901 was elected sheriff for a term of two years and became deputy sheriff to his successor, and was considered a most valuable officer. Funeral was held on Sunday, Jan. 13. His wife died about a year ago. He leaves one daughter, Mrs. Mollie Sharer, and is survived by one brother Harry Wilson of York, and two sisters, Mrs. Wm. Hoffman, of Baltimore and Mrs. Josephine Lawrence, of Hanover.

Mrs. Julia Gebhart, wife of Christopher Gebhart died at her home at Bonneauville on Monday, Jan. 7, after a lingering illness from consumption aged 59 years, 6 months and 21 days. She was a daughter of the late Henry Wagaman. The funeral was held on last Wednesday, services

by Rev. Father Burhart, in St. Joseph's church, Bonneauville, with interment in St. Joseph's cemetery. She leaves besides her husband three sons and one daughter.

Mrs. Sarah Rickrode, wife of John Rickrode, died at her home in Oxford township, near Irishtown, on Wednesday of last week, Jan. 9, from cancer, aged 69 years, 8 months and 27 days. She was a daughter of the late Richard Adams, of Oxford township, and was married to Mr. Rickrode about 40 years ago. They had no children. The funeral was on last Saturday, services at Conowago Chapel by Rev. Father Eugene Haltemeyer, interment in Chapel cemetery. She is survived by three sisters, Mrs. Martin Rickrode, of Irishtown, Mrs. Joseph Robinson, of New Oxford and Mrs. Jerome Storm, of McSherrystown.

Chester Low died in Pittsburgh on Jan. 1st, after a long illness in his 81st year. He was a former resident of Fairfield and had been employed in the United States Pension Office until his illness incapacitated him for work. Two months ago his father went to Pittsburgh to take care of him, remaining with him until his death. The remains were brought to Fairfield. Services were conducted by Rev. C. L. Ritter in the Lutheran church and interment in Union cemetery. He leaves a wife, father and one sister.

John A. Kinser died at the White Haven sanitarium from tuberculosis last week aged 30 years. The remains were brought to Bonneauville where interment was made. Four of Mr. Kinser's uncles acted as pall bearers. He is survived by his mother, Mrs. Joseph Goulden, of York.

Mrs. Addison Koons, of Union Mills, Md., died at the home of her parents, Mr. and Mrs. George Myers, at Hanover on Monday, Jan. 7, aged 41 years. Mrs. Koons went to Hanover last October for treatment and 7 weeks ago went to Johns Hopkins Hospital for an operation. It was not performed and she returned to Hanover. The funeral was held last Wednesday. Beside her husband and two children aged 8 years and 17 months, she is survived by her parents three sisters and two brothers, Misses Minnie, Mary and Cora, and George C. Myers, of Hanover, Pa., and John W. Myers, of near Barts' church, Union township, this county.

John Dunn, son of Francis Dunn died on last Wednesday, Jan. 9, at his home in Mountpleasant township from consumption, aged 21 years. Funeral last Friday from St. Joseph's church, Bonneauville, interment in church cemetery. Three brothers survive, Harry, William and Sylvester Dunn.

Herbert Stonessifer died on last Thursday in Emmitsburg from acute Bright's disease aged about 29 years. He had been a resident of Harney and had lived near Littlestown and recently had been conducting a pop factory in Emmitsburg. The funeral was held last Saturday, being in charge of Taneytown Lodge Knights of Pythias of which deceased was a member with interment in the Harney U. B. cemetery.

CALEDONIA STREET RY. CO.

CARS DOWN CHAMBERSBURG PIKE DUE THIS YEAR.

Articles of Association Filed and Letters Patent Issued For the New Trolley.

Upon the articles of association of the Caledonia Street Railway Company filed at Harrisburg Dec. 10, Gov. Samuel W. Pennypacker on Jan. 4 issued his letters patent creating the Caledonia Street Railway Co. The letters patent and articles of association were filed in the Recorder's office of Adams county for record on Monday of this week.

The articles show the following interesting facts. The company is to exist for 999 years. It is to be 13 miles long, running from the eastern terminus of an extension of the Chambersburg and Gettysburg Electric Railroad on the Chambersburg turnpike near Graffenburg and then over the pike to the corner of Chambersburg and Washington streets in Borough of Gettysburg.

The capital stock of the company is \$200,000 divided into 4000 shares of \$50 each, and has been subscribed for.

The president of the company is M. C. Kennedy of Chambersburg with H. A. Riddle, C. M. Davidson, Thos. B. Kennedy, Thos. J. Brereton and J. H. Tonge, all of Chambersburg, as directors.

The president subscribes for 3975 shares of stock and the other parties 5 shares each.

It is a well known fact that the Cumberland Valley railroad is back of this undertaking, the turnpike company shares having been bought by this company. The Cumberland Valley is one of the great solvent paying railroad companies of the state, and when they back a project it means business.

The route of the trolley as now contemplated stays very close to or on the turnpike for the entire distance. The hill above Cashtown is managed by an easy grade by following the ravines and the only large cut that it is expected to make is at Newman's.

As understood no rights of way have been yet closed but from the sentiment along the pike the company will be allowed as it were with open arms.

It is only natural that land along the pike will take a boom as soon as trolley is running. That is what happened between Chambersburg and Fayetteville. Land brought hundreds of dollars an acre. People wanted to build their country homes close to the trolley. The same result must follow between this place and Cashtown and land owners could not better themselves more than doing all in their power by hastening the coming of the Caledonia trolley.

A Week of Entertainments.

This week is going to be a week full of entertainments. Every night for the balance of the week there is some attraction.

Wednesday evening Jan. 16 Gilbert A. Eldredge, Impersonator, appears in Bruch Chapel. He is the second entertainment in Y. M. C. A. Course.

The Xenia (Ohio) Daily Gazette said of him: "Every foot of available space was taken, and Mr. Eldredge was a whole show. His entertainment was a delightful one. The program being mostly of a humorous nature, caught the audience from the start. He was equally good in the female characters."

The Madison (Ind.) Herald endorses him as "A rare entertainment, out of the ordinary, something novel—was highly pleasing to the audience, who showed by their expressions of laughter and sympathy their appreciation of the ludicrous and pathetic, the dramatic and sentimental, and the rapid changes in costumes and selections by the speaker." Chart open at Buehler's Drug Store.

Band Concert.

Thursday evening Jan. 17 The Citizens Band will give a Band Concert in the Court House, beginning at 8 o'clock.

There was a good audience at last concert and every one spoke of the excellent concert by the band. The Glee Club of College will give several selections.

Altogether it will be a delightful musical treat. Members of the band will be around this week to ask for support of band concerts during the winter.

They will be a most attractive feature in the home life. Give them your support. General admission is 15 cents.

Basket Ball.

Friday evening Jan. 18 is the first of the series of basket ball games will be played in the College gymnasium with the Lebanon Valley College team.

College athletics have been on the boom, the unparalleled record of the football team sent them soaring. Admission is 25 cents.

GETTYSBURG FAKIRS

Will Work the Jamestown Exposition This Year.

It is not a question but a fact that Gettysburg has developed the most skilled fakirs to be found among native born Americans. It is part of every boy's education here to get rid of battlefield souvenirs and books to the strangers. They learn early how to get near the traveler. By the time the boy is a man and has given part of each year to the work he is an expert at the business. The Gettysburg fakir is known all over the country now and he is going to add fresh laurels to his career in 1907 by doing the Jamestown Exposition.

Robert C. Miller, proprietor of the Jenilee Wade House, which he has made famous as a museum, spent last week at the Jamestown Exposition. He came back last Friday evening delighted with what he had seen of the Exposition to be opened in April.

The Jamestown Exposition celebrates the first English settlement on American soil. It is not located on the island where the old town of Jamestown stood, and of which nothing remains but the tower of an old church, but is located 30 miles down the river, at Sewall's Point on the Hampton Roads, near Norfolk. The exposition grounds are most accessible from land and sea. The buildings are near completion. The special feature of the exposition is going to be the water display. It will be one with which all former expositions can in no way compare. It is expected to have lying in Hampton Roads 75 or more of the finest war vessels of the navies of the world.

Mr. Miller during his visit, made all arrangements to take over the contract to handle all the official photo books of the exposition. He is to handle all books of the Official Photo Co. on the grounds and sell to all the stands on the

TOWN COUNCIL MEETING

BOARD OF HEALTH MAKES REPORT FOR 1906.

Borough to Make Experiments in Lighting Streets at Some Points With Nernst Lamps.

The Town Fathers all got out to the meeting of Town Council on Tuesday evening of last week, President Gilbert in chair and Councilmen Oyler, Culp, Wierman, Becker, Hammond, Tawney, Beck and Wisotzkey present. Minutes of previous meeting were read and approved.

S. S. Neely, Esq., presented petition of 46 citizens asking that the electric light removed from the corner of Washington and Stevens streets to Washington and Broadway be returned or one equally as good put in its place. Later in evening the Light Committee was instructed to have erected at point indicated a Nernst lamp.

The report of Board of Health for 1906 was then read and on motion accepted and placed on minutes. The report is printed below following Town Council proceedings. The appropriation of \$175 asked for by the Board of Health for 1907 was voted.

Two vacancies in the Board of H. S. Trostle and Geo. E. Spangler were filled by the appointment by President Gilbert of Dr. J. P. Dalbey and H. R. Bender and upon motion these appointments were unanimously approved.

Council next decided to scrape mud off the streets of the town.

A motion prevailed that a crossing be put down on Steinwehr avenue from Battlefield Hotel, the expense to be borne by Mrs. Braunerter and the crossing to be put down under orders of Highway Committee. It was also decided to put another crossing on York street at property of Thaddeus Welty, making it a double crossing instead of a single one as at present.

Letters were read in answer to inquiries of the Council, one from A. B. Plank, manager of Gettysburg Gas Co. saying the company was willing to reduce price of gas to a rate of \$1.00 per 1,000 feet used for the purpose of heating the water in the boiler of fire engine; and one from R. D. Armor & Son offering to furnish a hot water stove to connect with engine for supplying same with hot water for \$25. The Property Committee was instructed to report at next meeting on the matter.

The need of more light at various points was next discussed at some length and it was decided to experiment with Nernst lamps on Washington street and Springs avenue.

The petition of H. C. Picking and R. Wm. Bream, committee representing the Theological Seminary asking for a fire plug at intersection of Springs avenue and Confederate avenue in order to provide fire protection for the valuable property of the Seminary and other citizens of the borough was referred to the Property Committee.

The report of Burgess E. E. Slaybaugh was read.

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fife one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Hedionia Diptera*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a tonic invigorator . . . makes for normal activity of the entire reproductive system. He continues: 'In females who have suffered from sterility, fully, and where the above powers than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent.' Dr. Fife further says: 'The following are among the leading indications for *Hedionia* (Unicorn root). Pain or aching in the back, with leucorrhoea; uterine cramps; chronic rheumatism; depression and irritability associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (bleeding), due to a weakened condition of the reproductive system; amenorrhea (cessation of absent monthly periods); pain from or accompanying an abscess or tumor of the digestive organs; and Adermic (thin blood) habit; dragging sensations in the extreme lower parts of the abdomen.'

If more or less of the above symptoms are present in any woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or *Hedionia*, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett's Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions, and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all degenerative states."

Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in tertian fevers, menorrhagia, hysteria, and convulsive dysmenorrhea (seizure of menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

Report of Board of Health.

Gettysburg, Pa., Jan. 8, '07.
The President and Members of the Borough Council.

GENTLEMEN:

In compliance with the Act of Assembly creating Boards of Health we have the honor to submit the following report for the year 1906:

The membership and officers of the board remained, after reorganization for the year the same as previously, President, Harry Trostle; Geo. E. Stock, Geo. E. Spangler, Geo. F. Young; Secretary, Henry Stewart; Health officer, Harry E. Weaver.

The term of Harry Trostle having expired Dec. 31, '06, we respectfully ask for the appointment of his successor as much to our regret we have failed to persuade him to remain a member of the board.

George Spangler, who was reappointed in 1905 has never qualified as a member since his reappointment, has attended but one meeting (immediately after his reappointment) and failed to answer a request of the board for an expression of his intentions, we therefore ask for the appointment of a member to fill his unexpired term, to Dec. 31, '09.

MORBIDITY STATISTICS.

Fifty cases of disease were reported to the board, as follows:

Diphtheria 4 Typhoid fever 6

Consumption 3 Pneumonia 2

Measles 25 Scarlet fever 2

Chicken pox 9

Occurring through the year as follows: Jan. 3, Feb. 1, Mar. 1, Apr. 0, May 2, June 0, July 6, Aug. 1, Sept. 3, Oct. 0, Nov. 15, Dec. 18. Total 50.

The only death occurring from this class of diseases were three from consumption.

Typhoid fever is above our usual average, but several of the cases were imported.

Diphtheria has appeared several times, but we have been fortunate in being able each time to stamp it out before it became an epidemic.

NUISANCES.

Fourteen complaints were lodged with the board during the year, some of which proved on investigation to be unfounded, all others were promptly corrected upon notice except two.

Harry Lackner persisted in running his kitchen drainage on the public street after the construction of the sewer and notice to discontinue the practice, and we were compelled to lay information before Justice Hill who imposed a fine of \$3.00 which was duly turned over to the Borough Treasurer.

In the case against Mrs. Blocher and Jas. Kepner, for discharging the drain from water closets upon the public highway, in view of the circumstances of the case, upon legal advice, we adopted as the most expeditious method of removing the annoyance to the persons past whose houses the drainage flowed, the method of closing the outlet.

A number of persons have desired to lay complaints, which were not received because they insisted upon being allowed to make them anonymously, which the board for some years has refused, we believe properly, to receive.

Several anonymous complaints were received through the mail, which were of course ignored.

VITAL STATISTICS—DEATHS.

Jan. 6, Feb. 4, Mar. 3, Apr. 6, May 5, June 4, July 1, Aug. 5, Sept. 2, Oct. 2, Nov. 7, Dec. 5. Total 56.

Vouchers for the several items are properly filed.

Four years ago the salary of the Health Officer was reduced from \$60 to \$36 per year. At that time no disinfecting apparatus was owned or operated by the Board—disinfection was done (?) by individuals, without even the supervision of the Health Officer in most cases—in short, the work of the Health Officer at that time consisted in tacking up placards and inspecting an occasional nuisance.

Since that time the requirements of the Health Officer by the Board have been greatly increased—he personally disinfects all cases of contagious disease (except measles and chickenpox) requiring several hours of his time for each case.

The very low rate of prevalence of the dangerous contagious diseases, largely contributed to by this prompt stamping them out when they appear, as shown by the successive reports of the Board, justifies beyond cavil this policy of the Board.

The requirements of the Department of Health, under the new State Statutes have very greatly increased the work of the Secretary; the number of diseases which physicians are required to report to the Board has been tripled, and a weekly report, giving each case in detail, must be made to the Department.

In order that the incoming Board may be enabled to fix the salaries of these officers at a figure more nearly commensurate with the work involved Health officer \$60 and Secretary \$30 per year, we respectfully ask for an appropriation of \$175, for the year 1907.

Very respectfully submitted,

H. S. TROSTLE,
President.

HENRY STEWART,
Secretary.

PRIMARYS FOR BOROUGHS AND TOWNSHIPS JAN. 19.

As the rules of the Democratic party fix the third Saturday of January for the primaries of the Spring election, and in view of the fact that it has been decided to hold the primaries in the old way and that all nominations for Justice of Peace must be filed 28 days prior to election and for all other nominations 18 days, I hereby fix as the time for holding primaries for nomination in all the townships and boroughs on Saturday Jan. 19, at the usual time and places in the respective districts.

S. MILEY MILLER

Dem. Co. Chairman.

By special request primaries are announced in Reading township at Olewine Hotel, Hampton between 2 and 4 o'clock.

In Highland township between 2 and 4 o'clock.

CIVIC IMPROVEMENTS.

Organization for civic improvement seems to be the sentiment that is sweeping all over the country. The great cities are demanding that more conveniences be given and be made more beautiful, but it is really in the towns and villages that the sentiment for civic improvement seems strongest. They want the conveniences of the city with the advantages of being near country life. The nation is coming to want to breathe the great out-o'-doors while at the same time lose no comforts indoors. The movement for civic improvement seems general. Alongside of some plan being carried out in the New England States is another as advanced being perfected in the West. The objects of these organizations are many, to beautify places, with the pulling down of fences and planting of more trees, for providing of more parks in small villages and towns for improvement in the transportation facilities, for the sanitation of the place, for the elimination of grade crossings, for the abatement of smoke and noise nuisances, for securing 80 cent gas, for the removal of unsightly bill boards along railroads and highways, for public comfort stations and rest rooms for women. There seems to be no limit to the ideas that are advanced and carried out. York has the fever and talks about spending a million dollars on streets, the Codorus, parks, sanitation. Better, more beautiful and healthier surroundings is the cry of the times.

SOME OF OUR CIVIC VIRTUES.

The Compiler does not belong to the class who can see no good about the famous town of Gettysburg. We believe this place is far ahead of the average town of its size. We have a town beautifully situated and Gettysburg in the valley with the South Mountains to the west makes at every season of the year a charming picture. The town is a good looking one and when the foliage is out is very attractive. We have an up-to-date modern sewer system that gives us perfect sanitation, making a place always healthy to live in more healthy. We have a good water service with pure water. We have a well lighted town, comparing well with towns of its size. We have a park system practically surrounding the place with as fine drive ways as can be found. Indeed the virtues of Gettysburg make it an ideal place for a residence.

SOME CIVIC NEEDS.

Of course we make no claim for perfection for Gettysburg as a town, that can't be done as long as we maintain our exquisitely muddy streets. How to get better streets is a question that should be studied by a civic organization outside of the borough government, or with the borough government when some feasible plan has been arrived at. Until the plan has been decided upon the borough had better stop throwing money upon the streets in the shape of things that eventually make mud. The superintendent of streets with one helper with horse and wagon daily on streets, gathering garbage, and loose stones, filling up holes that form and cleaning up rubbish, etc., and keeping crossings clean all the time is about the extent of what should be spent on streets until permanent improvement is begun. Then the town is short in public comfort stations. Our railroads have not begun to do for the town what they owe the town. They bring all the passengers here they can haul and are evidently under the impression that when that is done their whole duty is done toward passengers and the town. Several times last year many strangers suffered from the weather because there was no adequate shelter. Both railways should maintain depots, or public comfort stations where hundreds could be sheltered. It would be

entirely in keeping with this idea for the town to maintain rest rooms for women. This idea is capable of enlargement in a number of directions, which would not only be publicly beneficial but also could be made self-supporting. The town should provide better accommodations for the teams of the country people. Every business man knows the country people are the backbone of support to every town, yet how little is done to give them convenience when they come to town. One suggestion has again and again occurred to us. In the rear of five or six of the church lots of the town there are vacant plots of ground. Little if any use is made of these vacant spots now. The most of them are centrally located. They might all be thrown open to the public for the hitching of teams and civic improvement would well be directed toward making shelter at these places and where situated on alleys, the alleys should be paved. These places could be kept scrupulously clean so as not to offend in any way. These we conceive to be some of the civic needs. Things don't come without thinking over them and it is surely worth while to help to do the thinking so that they eventually come to pass.

TOWN COUNCILMEN.

In making nominations for Town Councilmen next Saturday the Democratic party, indeed it would be well for both parties to name business men with a fad for system. Without any intended reflection upon the present Council this town needs several men in that body who would take the pains and time to reduce the work of that body to a business system. If there is increased borough taxation the want of system may be to a certain extent responsible for the same. There is no tab kept on expenses so as to keep the same within the tax duplicate. It ought to be easy to inaugurate some system that would be a check on expenses and thereby avoid a deficit. At the beginning of each financial year it ought to be an easy matter to ascertain revenue from all sources. Then the expenses could be ascertained from preceding years so as to tabulate and apportion the revenue to the various needs. This could be done and each branch or committee held down to its apportionment. With no trouble whatever of ascertaining the fixed charges, as officers' pay, water rent, light bills, it could be determined how much the Highway Committee could expend and how much ought to be left for emergencies. Each branch or committee ought to report during the year how their expenses compare with the apportionment for that arm of public service and when the appropriation is exhausted further expenditure ought to be held in check unless absolutely necessary. To go ahead without such a system is to hunt for a deficit at end of the year. We hope to see Councilmen elected this year who will undertake to put the town business on such a systematic plan.

FARMING BULLETINS.

The report of the Farmers' Institute on second and third pages suggests, among other inquiries, how many Adams county farmers help themselves to literature on farming by getting the bulletins of the State Agriculture Department. These bulletins will be sent free to any farmer who sends a postal to the State Agriculture Department, Harrisburg, requesting that the bulletin be sent, giving name and address. There is no reason why every farmer should not have the advantage of these bulletins. They can be had for the asking, only help yourself and you know the old adage of the Lord helping those who help themselves. These bulletins are interesting and often well illustrated.

Cole's Cavalry Reunion.

The reunion of the famous Cole's Cavalry came off at Junker's Hotel in Baltimore, Jan. 10 with Colonel Henry A Cole as host.

Cole's Cavalry was recruited from the sturdy youths of the rural districts of Maryland, Virginia, and Pennsylvania and West Virginia, and during its four years' service encountered the Confederate forces a greater number of times than any other command in the Union army.

January 10 was fixed for the annual reunion because it is the anniversary of the battle of Loudon Heights, in which the command engaged Colonel Mosby's rangers.

Since the last reunion which was held at the home of Col. George W. F. Vernon, Baltimore, three of the members have passed away, one of whom was John Culverson, of York.

Members present from this section were Lieut. W. A. McIlhenny, S. M. Horner, Theodore McAllister, Gettysburg; Wesley Rice, Alpheus Stanbury, Hampstead; Wm. A. Fraley, Ennismore.

The following officers were elected: President—Col. George W. F. Vernon; Vice President—John G. Maynard, of Washington; Secretary—Joseph Brooks, Treasurer—John J. Kahler, Chaplain—Rev. John B. Hall.

The Gettysburg Chapter of the Daughters of the American Revolution at their January meeting elected Miss Emily Horner, Mrs. Frances Walter and Mrs. J. W. Richards a committee to confer with Prof. W. L. Book in regard to the annual prize offered to the students of the High School.

RECORD OF OUR J. P.

Idaville, Jan. 14.—Squire Daniel A. Thomas is a candidate for nomination at the primaries next Saturday for Justice of the Peace. The Squire has been a Justice for 16 years and has made an enviable record. 175 civil cases have come before him in the past 16 years. His decisions were so largely satisfactory to all parties that in but 16 cases were there appeals or certiorari.

The care of the Squire to be right is shown in the fact that in only two of the 16 cases was he reversed by the Court. He has disposed of a great number of criminal cases besides, always using his efforts to bring to a peaceful termination the small cases.

He has many friends who believe he is the right man in the right place as a Justice.

\$25 REWARD will be paid for the return of a large pocket book lost somewhere on the road between Gettysburg, New Oxford, Hanover and Bonneauville, in October, containing valuable papers and an unendorsed certificate on the Spangler Bank for \$1200. Papers of no value to finder but important to owner. Return and receive reward.

Hurt When Hog Kicked.

John Wible and Walter Lott were badly cut while killing a hog last week. John Wible took hold of the hog after it was killed and it kicked, and that kick knocked the knife in Wible's right hand against Lott's right hand cutting an ugly gash and then against his own left hand cutting it severely.

ITTSBURG MARBLE & GRANITE WORKS**BERTY STREET.**

We can furnish anything desirable in the Monumental line. Monuments, Headstones, Markers, Posts, etc., in Granite & Marble of the best material finely finished and at reasonable prices. It will be to the advantage of those contemplating the erection of a memorial to departed friends, to call and examine our stock, workmanship and prices, before placing an order.

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, etc. Ask your doctor about this. The best kind of a testimonial—“Used for over sixty years.”

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures la grippe coughs and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Any expert burglar can do the same.

The foregoing statement was made by an experienced locksmith of Kansas City.

"Food don't digest? Because the stomach lacks some one of the essential digestants or the digestive juices are not properly balanced. Then, too, it is this undigested food that causes sourness and painful indigestion. Kodol For Indigestion should be used for relief. Kodol is a solution of vegetable acids. It digests what you eat, and corrects the deficiencies of the digestion. Kodol conforms to the National Pure Food and Drug Law. Sold by Peoples' Drug Store.

MRS. CLAYTON FISSEL of Latimore township, from two cows in a year churned 543 lbs. of butter and sold it for \$118 and two calves selling for \$16.00.

Terrible plagues, those itching, pestering diseases of the skin. Put an end to misery. Doan's Ointment cures. At any drug store.

MRS. JACOB K. NAYLOR of Huntington township has returned from Philadelphia hospital fully recovered.

MOTHERS who give their children Kennedy's Laxative Cough Syrup invariably endorse it. Children like it because the taste is so pleasant. Contains Honey and Tar. It is the Original Laxative Cough Syrup and is unrivaled for the relief of croup. Drives the cold out through the bowels. Conforms to the National Pure Food and Drug Law. Sold by Peoples' Drug Store.

L. C. ELICKER of Latimore township is preparing to erect a new barn next summer.

Disturbed The Congregation.

The person who disturbed the congregation last Sunday by continually coughing is requested to buy a bottle of Foley's Honey and Tar. The Peoples Drug Store.

IRA ALBERT of Latimore township had two fingers severely cut by his brother Wm. who slipped on the ice with a butcher knife in his hand, accidentally striking fingers of Ira.

"Little Colds" neglected - thousands of lives sacrificed every year. Dr. Wood's Norway Pine Syrup cures little colds—cures big colds too, down to the very verge of consumption.

JAMES JOHNSON of Latimore township has sold a tract of timberland to J. A. Miller of Mt. Holly.

"I HAD tried everything for my baby, until Dr. Lyle recommended Cascasweet. I can truthfully say it is the best medicine I ever used for babies. My little baby was a mere skeleton from stomach trouble—so bad that she did not notice anything, but is now entirely well and we can almost see her grow." —Naunie L. Taylor, Bedford, Va. Cascasweet is sold by Peoples' Drug Store.

LATIMORE township is expecting to furnish some of the workmen to work in the ore mines near Dillsburg.

How to Avoid Pneumonia.

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. The Peoples Drug Store.

PROF. J. J. NAGLE of Freeport, Ill., was visiting relatives in Abbottstown last week.

SMALL touches of back ache should not be allowed to go untreated. Rheumatism and many other things follow. A box of DeWitt's Kidney and Bladder Pills will bring relief quickly. They drive the poison from the body. Act on the liver as well as the kidneys. A 25 cent box holds a weeks treatment. Sold by Peoples' Drug Store.

W. W. NEELY and family left Bowlder last week and after a visit in New Oxford will go to their future home in Shippensburg.

Two million Americans suffer the torturing pangs of dyspepsia. No need to. Burdock Blood Bitters cures. At any drug store.

HARPER WENTZ broke through ice on Mud Run near Round Hill and narrowly escaped drowning.

GUARANTEED REMEDY FOR INDIGESTION.

Interesting Statement by The People's Drug Store.

When a man comes into this store and calls for any particular indigestion remedy, we always give him what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years, and from actual observation we know it must do good, and really does cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefited or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or The People's Drug Store are ready at any time to pay back your money without the least argument.

L. G. LAWRENCE of near New Oxford had a small tumor successfully removed from back of his neck.

PILES get quick relief from Dr. Shoop's Magic Ointment. Remember it's made alone for Piles—and it works with certainty and satisfaction. It's ring, painful, protruding, or blind piles disappear like magic by its use. Try it and see! People's Drug Store.

EASY DOOR FASTENERS.

Only one kind of lock the Expert Burglar Can't Pick.

"There's only one lock in the world that I can't open if you'll give me a few minutes at it, and as for ordinary door and drawer locks, I'll open them as easily as if there was no lock there. Any expert burglar can do the same."

The foregoing statement was made by an experienced locksmith of Kansas City.

"Few persons know how insecure their homes are," he continued. "Few persons realize that the average lock is absolutely worthless for keeping out an experienced burglar. The ordinary door lock is good for nothing but reminding casual business or social callers that they must ring to be admitted. None of these ordinary 'door fasteners,' and that's the best you can call them, will deter a burglar two whole minutes. If there's no key in the lock, he soon fits one to it. If there is a key in the lock, he inserts a pair of pinchers and in ten seconds has it opened. Understand me, I am speaking of the experienced burglar. The clumsy burglar is the one who gets in trouble. He'll fumble around with a lock until somebody hears him. There is only one unpickable lock made. That's the six pin lock used by the government. It will defy any expert. There are six little steel pins in the lock, which have to be raised just a certain distance to open it. Some of the pins are one-fourth of an inch long and some of them a half inch. If one of the pins lacks even a hairbreadth of being raised the proper distance, the lock will not open. It baffles all the experts."

This locksmith is so expert he can open the majority of safe by putting his ear to the combination and listening to how the tumblers click into place as he turns it.

"I intended at one time to be a burglar," this locksmith declares. "I had all planned out—even had a set of burglar's tools made. Then I decided that honesty was the best policy, and I stuck to my trade."—Kansas City Star.

THE SHREW MOUSE.

Some Queer Superstitions About a Harmless Little Animal.

The shrew, or shrew mouse, as it is commonly called, is found in nearly all parts of the world. It is distinguished by an elongated, pointed muzzle, small eyes, plantigrade, six toed feet and glands that secrete a musky fluid. Altogether it closely resembles a mouse, but it is really not related to the mouse family.

When at home it is either under a pile of rubbish or in a hole which it has burrowed in the earth. It is nocturnal in its habits, but perfectly harmless, yet at one time it was much disliked and persecuted because it was thought to be a dangerous, mischievous animal. Among the Italians the notion was prevalent that the bite of a shrew was extremely poisonous. The French and the English believed that if a shrew ran over an animal's foot the animal felt great pain and eventually became paralyzed; hence if a horse, a cow or a goat became a little stiff in its limbs the foolish people at once declared it "shrew struck," and the poor shrews had to suffer in consequence.

Of course the "shrew struck" animal had to have something to cure it, so an ash tree was selected, and a deep hole was bored into its trunk. Then a shrew was captured, put alive into the hole, the hole was securely plugged, and the innocent little animal was left to die of starvation.

The ignorant believed that after such an act the ash tree had power to cure "shrew struck" animals, and whenever an animal became inactive or a little numb in its limbs its owner hurried to the "shrew ash," cut a switch from it and switched the "shrew struck" beast. The smarting caused by the switching naturally made the helpless animal move about as much as it possibly could, and in a short time it was pronounced cured.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is medically specifically designed to reach the controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month's tablet or Liquid—and see what it can and will do for you. Druggist recommend and sell.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, Chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has then made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by People's Drug Store.

LICENSE NOTICE.

IN THE COURT OF QUARTER SESSIONS
OF ADAMS COUNTY.

It is ordered that all applications for licenses for the sale of vinous, spirituous, malt or brewed liquors, wholesale or retail, for the year 1907, will be heard on FRIDAY, the 18th day of JANUARY, 1907, at 10:30 a. m., at which time all persons applying or making objections to applications, will be heard by evidence, petition, remonstrance or counsel. There must be no communication at any time with the judges personally upon the subject, by any person, in any way.

The petition, verified by affidavit of applicant, shall be in conformity with the requirements of the Acts of Assembly. Judgment Bond shall be executed in the penal sum of \$2,000, with no less than two reputable bondsmen of the county where the liquors are to be sold, as sureties, each of them to be a bona fide owner of real estate in the said county, worth over and above all incumbrances, to the sum of \$2,000, or other legal security to be given.

Bond conditioned for the faithful observance of all the laws relating to the selling or furnishing of liquors, and to pay all damages which shall be recovered against the licensee, and all costs, fines and penalties, which may be imposed on him under any indictment for violating said laws; and the sureties may be required to appear in Court and justify upon oath.

The Court shall in all cases refuse the application whenever, in the opinion of the Court, having due regard to the number and character of the petitioners for and against such applications, such license is not necessary for the accommodation of the public and entertainment of strangers and travelers, or that the applicant is not a fit person to whom such license should be granted.

Petition to be filed with the Clerk of the Court not later than SATURDAY, the 22d day of DECEMBER, 1906. Objections and remonstrances to be filed not later than TUESDAY, JANUARY 8th, 1907.

Upon sufficient cause being shown or proof being made to the Court that the party holding a license has violated any law of the Commonwealth relating to the sale of liquors, the Court shall, upon notice, give to the licensee the personal notice, revoke the license.

Attest,

By the Court,
H. U. WALTER, S. MC-SWOPPE, Pres. Judge.

A MAN OF PRIVILEGE

LONDON'S LORD MAYOR A PERSON-
AGE OF POMP AND POWER.

The First Holder of the High and
Mighty Office Was Elected in 1180
and Proved Popular—Dick Whittington and Other Ancient Worthies.

The most impressive thing about the mayoralty of London is its great antiquity. In Saxon and Norman times London was an independent state, and the chief magistrate—the portreeve, or the biffy—was an absolute ruler. The first mayor was elected in 1180, and he was so popular that he retained the office for twenty-four years. The first lord mayor's pageant was in the reign of Henry VIII., and in it he figured as chief butler to Anne Boleyn.

Through the long intervening years the lord mayor has retained many of his prerogatives as a ruler. Most people have no idea how extensive his privileges are.

He has his own chaplain (in olden days like the monarch, he had his jester, too), and badges of royalty are attached to his office—the scepter, the sword of justice and mercy and the mace. He has right of precedence in the city before all the royal family. Soldiers in any number cannot march through the city without his consent.

He has the right of private audience with the king. He has the privilege of direct entrance without question at royal levees. He can at any time dissolve the city courts, even that of the common council, by removing the sword and mace from the table. He is lord of the river Thames, of the conservancy, and in number cannot march through the city without his consent.

He is lord of the river Thames, of the conservancy, and in number cannot march through the city without his consent.

The majesty of his state is pretty considerable too. The city gives him a sum of £10,000 to expend. His palace, the Mansion House, is furnished with plate and ornaments worth £100,000. He has a splendid retinue of servants, including a sword bearer, mace bearer and seven trumpeters, whose liveries cost some £1,000 annually. He gives a yearly banquet, which costs thousands of pounds and employs an army of 150 waiters, cooks and carvers.

JANUARY PLOWING

Arendtsville, Jan. 14.—During the several days of mild weather last week quite a number of our farmers did some plowing which was unusual for mid winter.

Arthur Roberts residing on Rev. Dr. Lady's farm near this to an hour just finished the marketing of his work for this season, having produced a total of 6687 lbs net, and marketing for him the mostly at 7 1/2 cents, realizing

Eggs 25 cents. Butter 25 cents at the stores.

Following is a list of the weight of some of the heaviest hogs that were killed in this vicinity.

Geo. L. Culp, one, 584 lbs, David Thomas, Esq., one, 364, John A. Knouse, one, 504, Jacob F. Taylor, two, 404 and 430, Bert Carey, two, 421 and 431.

Ira S. Orner, one of our butchers has been confined to his room during the last week with grip.

Oscar M. Bushman our harness maker made a business trip to Harrisburg last Monday.

G. W. Weaver & Son's.

A FAIRLY good selection of ladies' and misses' coats at 1/4 and 1/3 off at G. W. Weaver & Son's.

Wanted : 50 Men and Women.

L. M. Buehler, the enterprising druggist, is advertising today for fifty men and women to take advantage of the special half-price offer he is making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia, and get a fifty cent package at half-price, 25 cents.

So positive is he of the remarkable power of this specific to cure these diseases, as well as sick headaches and liver troubles, that he agrees to refund the money if it does not give satisfaction.

L. M. Buehler has been able to secure only a limited supply of the specific, so great is the demand, and you should not delay taking advantage of the liberal offer he is making this week.

This is an unusual opportunity to obtain 60 doses of the best medicine ever made for half its regular price, with the personal guarantee of a well-known business man to refund the money if it does not give satisfaction.

L. M. Buehler has been able to secure only a limited supply of the specific, so great is the demand, and you should not delay taking advantage of the liberal offer he is making this week.

With Dr. Howard's specific at hand,

you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite, and makes life worth the living.

The health of the Valley is good at present.

Great Pre-Inventory Stock Reduction Sale Begins - - -

JANUARY 2, 1907

We expect to make a general rearrangement of stocks and departments. An opportunity in the face of an advancing market to buy goods much under price.

**Wool
Dress Goods
and Silks**

In consequence of the change in location we purpose making in our Dress Goods and Silk Department, we will sacrifice all the profits and part of the cost, on more than half the stock. All parts of pieces and remnants must be closed out at once. There will be rich pickings in these departments.

**Carpets and
Draperies**

We have arranged to put this department under the management of a man who knows these goods thoroughly, and who can make this department serve you better than ever before, and as we want him to begin with new stock, of his own selection, we will make extraordinary heavy price cuts on all Carpets (except home-mades). Lace Curtains of every character and quality. Portieres and Furniture Coverings now in stock. These cut prices will close January 15th, as the market is advanced.

**Cloaks, Suits
Skirts, Furs**

We begin the New Year to price these goods at straight $\frac{1}{4}$ off our regular prices, with four months still before the wearer. The assortments are still fairly complete. In suits are a little lot that were \$10, \$15 and \$20, will be sold at \$5 a piece, Odds and Ends of Ready-to-Wear Goods at half price.

**MEN'S DEPT.
Sweaters,
Gloves, Shirts
Underwear**

We will make a general clean up. All the odds and ends of stock at a money saving price that will be worth while to consider.

A lot of Men's Shirts at half.

**Fancy Goods
Embroideries
Laces
Trimmings**

This department being still too heavy, notwithstanding the great onslaught during the holiday selling, will have a great variety of bargains all on display. An opportunity to get desirable trimmings, &c., at much under price.

**White Goods
Linen Damask**

The great sale in White Goods, for holiday use and gift purposes, has left us with a great many parts of pieces, which we desire to close out before Inventory. Table Linens at our regular prices are now fully 20 per cent. less than the market January 1st, yet we have quite a lot of patterns to close out, upon which we cut our regular price from 15 to 20 per cent.

Every Day will add some new article or remnant to this sale.

A TABLE OF ODDS AND ENDS

Of Men's, Ladies' and Children's Underwear. If you find your size you'll save one-fourth and on some a half of the price.
